## Contract Information

I (we), the undersigned, do hereby request cost-share assistance to help defray the cost of installing the following practice(s) listed as described on the second page of this contract. It is understood that:

1. In no case shall the SRCL provide cost-share assistance to a land occupier or landowner for the reapplication of a practice that was removed by the land occupier or landowner during its effective life without consent of the SRCL board or that failed due to improper maintenance. The specific operation and maintenance requirements for the conservation practice listed are described in the operation and maintenance plan prepared for this contract by the conservation district technical representative. If title to this land is transferred to another party before expiration of the aforementioned life, it shall be the responsibility of the land occupier or landowner who signed this contract to advise the new owner that this contract is in force.
2. Practice(s) must be planned and installed in accordance with technical standards and specifications of the: USDA Field Office Technical Guide, and guidance from State of Minnesota and/or Stearns County Soil and Water Conservation District.
3. Items of cost for which reimbursement is claimed are to be supported by invoices/receipts for payments and will be verified by the SRCL board as practical and reasonable. The SRCL board has the authority to make adjustments to the costs submitted for reimbursement.

## Applicant Signatures

The land occupier's signature indicates agreement to:

1. Grant the organization's representative(s) access to the parcel where the conservation practice will be located.
2. Obtain all permits required in conjunction with the installation and establishment of the practice prior to starting construction of the practice.
3. As part of practice certification, the project site may be photographed. These photographs may be used by the SRCL for but are not limited to: reporting, documentation, and publications.
